

Speech and Hearing Science

Intercollegiate Transfer Information

What should I do if I am thinking about applying to transfer to SHS?

- review the department website: www.shs.illinois.edu
- attend an ICT informational meeting to review requirements and application process with the SHS Academic Advisor
- take at least one SHS course
- shadow a professional to gain insight to the field (not required to apply)

What are some courses I can take if I am interested in SHS?

- SHS 120: Children, Communication and Language Ability
- SHS 121: Introduction to American Sign Language
- SHS 150: Hearing Processes and Disorders (offered during 2nd 8 weeks)
- SHS 170: Intro to Human Communication: Systems and Disorders
- SHS 222: Language and Culture of Deaf Communities
- SHS 270: Communication Disability and the Media
- SHS 271: Communication and Aging (offered Fall only)
- SHS 375: Communication Partners and Health

NOTE: Courses are open to all majors (not all required for the major); some seats may be held in SHS 170 during the pre-registration period

What are the requirements to transfer?

- 2.8 UIUC GPA
- Attend an ICT info session (required)
- submission of application with supportive materials (resume, personal statement addressing interest in the department, related experience, possible area of concentration and career interests, and unofficial academic history)

Where can I get an application?

- Students will receive an application during an ICT informational meeting.

When can I apply?

Freshmen may apply during their second semester for consideration for Fall admission. Students who are at least sophomores may apply any of the designated deadlines for each Fall or Spring term (see <http://ahs.illinois.edu/ict>). Always consult your current advisor if you are considering a transfer to another department!
